The California Fashion Association supports member events and programs.

"GARMENTS WITHOUT GUILT" SRI LANKA

"Made in Sri Lanka" label is synonymous with high quality, reliability and social & environmental responsibility. The guiding force behind this commitment is the **"Garments Without Guilt"** code which exceeds leading industry compliance standards. Apparel made in Sri Lanka is free from sweatshop practices and child labor.

The Consulate General of Sri Lanka in Los Angeles announces an opportunity to view and interact with the experts of the Sri Lankan apparel industry.

**Visit us at SOURCING at MAGIC
Booth# 51213**

Make your appointments for private, informative sessions with our principals.
